(1) On January 16, 2021, Peugeot S.A. ("PSA") merged with and into Fiat Chrysler Automobiles N.V. ("FCA N.V."), with FCA N.V. as the surviving company in the merger (the "merger"). On January 17, 2021, the current members of the board of directors were appointed, the Stellantis articles of association became effective, and the combined company was renamed Stellantis N.V. On this date, the Stellantis management and board of directors collectively obtained the power and ability to control the assets, liabilities and operations of both FCA and PSA. As such, under IFRS 3, Business Combinations, January 17, 2021 is the acquisition date for the business combination. PSA was determined to be the acquirer for accounting purposes, therefore, the historical financial statements of Stellantis represent the continuing operations of PSA, which also reflect the loss of control and the classification of Faurecia S.E. (Faurecia) as a discontinued operation as of January 1, 2021. As the acquisition date of business combination was January 17, 2021, the results of FCA for the period January 1 -16, 2021 are excluded from the results for the year ended December 31, 2021. The 2020 Financial Statements included in the Stellantis N.V. Annual Report and Form 20-F for the year ended December 31, 2021 represents results of PSA only and therefore have not been included in this Supplemental Information as they are not comparable.

(2) The reconciliation of Net profit from continuing operations to Pro Forma Adjusted operating income for the Company is included in the Stellantis Annual Report and Form 20-F for the year ended December 31, 2021 - Management discussion and analysis - Company results.
