Figures presented for Industrial activities and Financial services include intersegment transactions.

(1) On January 16, 2021, Peugeot S.A. ("PSA") merged with and into Fiat Chrysler Automobiles N.V. ("FCA N.V."), with FCA N.V. as the surviving company in the merger (the "merger"). On January 17, 2021, the current members of the board of directors were appointed, the Stellantis articles of association became effective, and the combined company was renamed Stellantis N.V. On this date, the Stellantis management and board of directors collectively obtained the power and ability to control the assets, liabilities and operations of both FCA and PSA. As such, under IFRS 3, Business Combinations, January 17, 2021 is the acquisition date for the business combination. PSA was determined to be the acquirer for accounting purposes, therefore, the historical financial statements of Stellantis represent the continuing operations of PSA, which also reflect the loss of control and the classification of Faurecia S.E. (Faurecia) as a discontinued operation as of January 1, 2021. As the acquisition date of business combination was January 17, 2021, the results of FCA for the period January 1 -16, 2021 are excluded from the results for the year ended December 31, 2021.

(2) The reconciliation of Net profit from continuing operations to Adjusted operating income and to Pro Forma Adjusted operating income for the Company is included in the Stellantis Annual Report and Form 20-F for the year ended December 31, 2022 - Management discussion and analysis - Company results. The Adjusted operating income for the year ended December 31, 2021 is reported on a pro forma basis thus including the results of FCA for the period January 1 -16, 2021.

n.a. = not applicable

Figures presented for Industrial activities and Financial services include intersegment transactions.

(1) As of December 31, 2022, the equity investment in FCA Bank met the criteria to be classified as held for sale under IFRS 5, Non-current Assets Held for Sale and Discontinued Operations. As the estimated consideration from the sale is expected to be less than book value, our investment in FCA Bank has been written down to approximately €1,700 million. The investment in FCA Bank is included in both the Industrial activities and Financial Services column consistent with the assumption that Financial Services are presented in the Supplemental Information as an investment held by Industrial activities. Refer to the Stellantis N.V. Annual Report and Form 20-F for the year ended December 31, 2022 at Note 3 - Scope of consolidation - Held for sale, to which reference is made for additional information.
